President's report

I would like to once again thank and congratulate all those who now form the new committee and management team for the next twelve months.

I look forward to working with you and already we have discussed a couple of new ideas.

The past twelve months under the command of Vern have been very enjoyable for all our members and I hope I can fill those big boots.

The future of the association as always is in the hands of the members and from the floor I have heard only positive forward direction being indicated.

The social scene is going strong and both Lyn and I look forward to these events as I hope do all our members. We will be away for the next three months touring around mainland Australia and will have much to catch up with when we return.

For those who are not well enough to attend, I wish you a speedy recovery and look forward to seeing you soon.

Regards to you all, Ken Miller

Sincere thanks to all members who accepted nomination to stand on the committee. There were six candidates for only three positions. Congratulations to those elected ... commiserations to those who were not. It's a very good and encouraging sign of how enthusiastic and interested the members are to be involved. We will all be winners by continuing to work together.

Social Functions

If you have not booked your place at the July luncheon (Riverview Inn), please telephone Barb Challenger on 6272 4115. The venue for the August social function will be decided by members during the July luncheon. If you have a favourite place you would like us to put on the social calendar, please let us know.

Vale

We regret to advise members of the recent passing of one of our long term members, Manny Kean after a long illness. Our sincere sympathy to Manny's family.
