President's report

Another year is coming to an end, don't know if you notice that they go faster as we age, or is this just my imagination!

Congratulates all the new committee and thank the former committee for the hard work, you leave us with a sound club.

The last two functions have been well attended good to see.

I must also thank Glenorchy RSL club for their support and the use of the club for our meetings, and look forward to this association continuing.

The venue has changed for our Christmas lunch, it will be at the Derwent Bowls Club, St. Johns Avenue, Newtown, the catering will be the same. The cost will be \$30 per head and notice will be sent to all members as the time draws closer.

The national AGM will be held on the 28th. September, I will let you know the result at next meeting.
