The South Australia and Northern Territory Branch of the NMBVAA Inc has been proud to support the 'Service Voices' program.

<https://radioadelaide.org.au/program/service-voices/>

'Service Voices' on Radio Adelaide (101.5 FM) was a very special program that offered news, perspectives and memories from the veteran, volunteer and Defence communities through oral history, giving a voice to a large sector of our community which is not available elsewhere on air.

Through our various contributions to 'Service Voices' we have maintained our identity as a Branch and shared knowledge and historical information with veterans, family, friends and the broader community.

Some of our recent interviews include:

Paul Rosenzweig with Borneo veterans Jeff Hiscock and Don Cameron, 30 October 2023:
