AUSTRALIAN WAR MEMORIAL VISIT

Some may not be aware that in June 2014, a complete Roll of Honour for all Australian Armed Forces personnel *Who Died on Operational Service* during the Indonesian Confrontation was placed in the Galleries of the Rolls of Honour of the AWM.

We have discussed, more than once, making a trip to Canberra to view the Roll and have a small ceremony on site. Place poppies.

At the SA NT Branch meeting on Friday, 17 February, 2017, a basic plan was agreed, to go in early October 2017, and anyone wishing to go on the trip had the choice of flying in and out, or, making a road trip over a few days and having a Commemoration Dinner at a selected venue in Canberra.

If there are no objections, I will contact the AWM to advise our intent to visit, arrange morning tea and a tour of the behind the scenes archives and items which will probably never be exhibited.
